Official IRON MAIDEN Tribute Band Honke ,
THE IRON MAIDENS series profile ! Vol.3

vocals , Kirsten

Honke**IRON MAIDEN**The only recognizedののでfemale version of the world**IRON MAIDEN**Tribute bands ,**THE IRON MAIDENS**(The Iron Maidens) decision came in January 2010 !

THE IRON MAIDENSDrummer of the band became popular in Japan**PHANTOM BLUE**Origin .**PHANTOM BLUE**First album , the original**MEGADETH**Members **Marty Friedman**Produced by a famous album .**DOKKEN**Of**Don Dokken**Also**PHANTOM BLUE**Lend a hand to foster , Geffen is a story linked to the contract with the record. 2008**KISS**He was the opening of the live .

His career so much music group , will play shows a live wire ! For her performance in Japan so our profile , let's Weekly relay .

The third is the vocal**Kirsten "Bruce Chickinson" Rosenberg**(Kirsten " Chikinson Blues " Rosenberg .)

Child from playing with Barbie dolls , felt the thrill of playing in the mosh pit**Kirsten**The**CHAEP TRICK**.From**SLAYER**、**DEF LEPPARD**And music blasting over the air guitar as early as the air base , and even drums Konashi air lock of her soul has been tempered . At the middle school has had to learn a pretzel on the advice of parents , who also encouraging air instruments . Singing in the shower from an early age has continued practice poses in front of a mirror and lip of the bathroom , became the foundation of her charismatic stage fright today. Such**Kirsten**The change in the current vocalist is like lightning ,**KIX**Of**Steve Whiteman**It was thanks to the vocal coach . The album is not participating , the founder**Linda**The**Kirsten**The vocals are very proud of staging .

Tip appeal :

Vegetarian animal house**Kirsten**Washington, DC and co-owner of a vegetarian cafe in the bakery , ready to home in Baltimore and Los Angeles , has served as the personal assistant of two dogs and four cats .

Musician Influences:

Bruce Dickinson、Geoff Tate、Ann Wilson、Doro Pesch、Christina Aguilera、Karen Carpenter、Barbra Streisand、Bjork、Pat Benata、Eric Martin、Jeff Keith、Robin Zander …Etc.

好きなIRON MAIDENの曲:

Moonchild
Back in the Village
Infinite Dreams
Revelations
Aces High

A word on IRON MAIDEN :

IRONRah I am a fan since high school. Something to be more successful bands . And their metal roots , good music , to prove their greatness over time .**IRON MAIDEN**Forever !

I'd like to co-star artists :

IRON MAIDEN

[Drummer Vol.1 , Linda 's profile](#)

[Guitar Vol.2 , Courtney 's profile](#)

THE IRON MAIDENS:

Originally from California ,**IRON MAIDEN** Together with members of the tour , including a jam session and they are close to upstream presence . Higher profile in the United States , the invitation of Columbia ,**IRON MAIDEN**We live at the CD release party official , MTV, The Los Angeles Times, Playboy and has also featured .

America 's most famous talk show "The Tonight Show with Jay Leno" at live performances . Higher skills and music , The Rock City News Awards, The LA Music Awards, The All Access Awards and numerous other , then in the U.S. can guarantee Kavabando high , demand in clubs around !

Rave reviews all over the world ! Do not miss the parade live classic gem !

来日決定!!
