Official IRON MAIDEN Tribute Band Honke ,
THE IRON MAIDENS series profile ! Drummer
Vol.1 , Linda

Head family**IRON MAIDEN**Official version of the world's only female**IRON MAIDEN**Tribute bands ,**THE IRON MAIDENS**(The Iron Maidens) decision came in January 2010 !

THE IRON MAIDENSDrummer of the band became popular in Japan**PHANTOM BLUE**Born .**PHANTOM BLUE**First album , the original**MEGADETH**Members **Marty Friedman**Produced by a famous album .**DOKKEN**Of**Don Dokken**Also**PHANTOM BLUE**Lend a hand to foster , Geffen is a story linked to the contract with the record. 2008**KISS**He was the opening of the live .

His career so much music group , will play shows a live wire ! For her performance in Japan so our profile , let's Weekly relay .

The founder of the first band , the central figure of the drummer**Linda "Nikki McBURRain" McDonald**(Linda " Nikki MacBrayne " McDonald's .)

Born in Montana . Irish and half Japanese . Began studying the piano at age 5 , began with an interest in a variety of instruments played the violin since I was a child , started playing the guitar , and found that most suits their drums at the age of 15. After school aims to finesse drummer , ear training exercise for the various courses and drums , LA Drum School of Music Department of the PIT (Percussion Institute of Technology) graduates .

And formed**PHANTOM BLUE**When the producer self-titled debut album in that**Marty Friedman**Was .

Then things**Linda**Says .

"**Marty**I strained to hear the production . He knew the play Because of You was a guitarist expects translation . Because amazing player , and the typical ego -edge musicians around here somewhere I knew different. All our members , but he never was friendly with people , supporting us , I encourage people who know I was surprised . For music we have made the patient really give an input port will never work , something that was a bit uncomfortable or threatened . His spirit and passion for music , thanks to a sense of humor and the recording was a good experience .

He was not getting a sharp ear and perfect pitch , so it perfectionism . Private practice in the rehearsal room if I come before everyone **Marty** Came , I Tta amazing guitar and drum jam for a while . **Marty** It's talent is always full of confidence , and no matter what he is , I can see why they are loved in Japan and the United States about his change . Cheers , **Marty!** "

Photos **PHANTOM BLUE**. The left front row **Linda**. The back row center **EUROPE** Of **John Norum** Married **MELDRUM** Of **Michelle Meldrum**. Last year, passed away of brain death .

The **IRON MAIDEN** For the encouragement from the episode "We're in Mexico City , **Steve Harris** Daughter , **Lauren Harris** I was live with , **Steve** The beauty from hot in my drumming , I love when they are praised because energy and power , it was hiding under the table I want to get much more. Waa in feeling , not only gave me compliments and saying the proper greeting to each person and the whole band. The first girl **IRON MAIDEN** I thought it was kind of funny, tribute bands , I watched it for me to enjoy ! "He said.

Tip appeal :

Japanese mother raised **Linda Hart** has a duty and obligations to respect . When not banging the drum to the care of the dog loves . At home dog, cat , keeps a parrot .

Musician Influences:

Clive Burr, Simon Phillips, Alex Van Halen, John Bonham, Steve Vai, Barry Manilow, Marty Friedman, PANTERA, JUDAS PRIEST, SCORPIONS, Steve Harris, John Bonham, Karen Carpenter.

IRON MAIDEN songs like :

Rime of the Ancient Mariner
Children of the Damned
Prisoner

A word on IRON MAIDEN :

IRON MAIDEN Present the greatest band in the world . Their strong , melodic vocals , intelligent music that combines great guitar harmonies ! I believe they can accomplish their own band . I respect very much. IRON MAIDEN is triggered , I began to drum .

I'd like to co-star artists :

IRON MAIDEN Members ! Steve Vai, Marty Friedman, Eric Johnson, Madonna, Pink

THE IRON MAIDENS:

Originally from California , IRON MAIDEN Together with members of the tour , including a jam session and they are close to upstream presence . Higher profile in the

United States , the invitation of Columbia ,IRON MAIDENWe live at the CD release party official , MTV, The Los Angeles Times, Playboy and has also featured .

America 's most famous talk show "The Tonight Show with Jay Leno" at live performances . Higher skills and music , The Rock City News Awards, The LA Music Awards, The All Access Awards and numerous other , then in the U.S. can guarantee Kavabando high , demand in clubs around !

Rave reviews all over the world ! Do not miss the parade live classic gem !
