

the IRON MAIDENS

"Run to the Maidens"

Women, Maiden, Metal, can those three words sum up the world's only all female Iron Maiden tribute band? I would think so! Straight from Southern California, this all female act have been known to embrace beauty, talent, killer musicianship, fantastic stage presence, and not to mention the ability to pull off Iron Maiden tunes to a T! Now that's something everyone would be crazy not to see first hand, and

what better way to see them than at one of San Antonio's most memorable venues, formally Sneakers, now called Club Kristal! The Iron Maidens started their world recognized tribute to Iron Maiden back in 2001 and since then they have dazzled audiences across the country with exceptional talent, appeared in dozens of world famous venues, tv shows, magazines, and have appeared on albums with the world's top record labels! These metal maidens cover Iron Maiden material from all eras of the band's career, encompassing the band's biggest hits as well as fan favorites. Not only do they pull off the hits but also include in their set a remarkable stage show with appearances by Maiden mascot Eddie, the grim reaper, and other demons of death! Behind all this metal maidenness are highly trained professionals with diversified musical backgrounds ranging from orchestral and musical theater to blues and rock. The Sexy Maiden line-up is Aja "Bruce Chickinson" Kim on vocals, Linda "Nikki McBURRain" McDonald on drums, Elizabeth "Adrienne Smith" Schall and Sara "MiniMurray" Marsh on guitars, and Wanda "Steph Harris" Ortiz on bass. These women have packed the houses everywhere they've played and are continuing to "play with madness" throughout the world. Words seem to not express enough what the Iron Maidens have in store for us which is why you need to be a good "Trooper" and throw your fists in the air and sing along to your favorite Maiden tunes because this show is one you don't want to miss. Also on the bill are some very talented female fronted acts, San Antonio's own When Words Attack, and Austin's Ignitor. Doors open at 7:30 pm, tickets \$13.00 at the door, \$10.00 in advance.
