Official IRON MAIDEN Tribute Band Honke ,
THE IRON MAIDENS series profile ! Based
Vol.5 , Wanda

During his visit ! 25 day (Monday) , at Shinjuku HOLIDAY !

Honke**IRON MAIDEN**The only recognizedののでfemale version of the world**IRON MAIDEN**Tribute bands , **THE IRON MAIDENS**(The Iron Maidens) arrived in Japan yesterday , finally ! Will come to Japan in the championship parade grand champion Asashoryu from Narita suddenly appeared in a special guest to open the barrel of sake , and that the newspaper headlines in the paper that each sport a sexy stage costumes . I first started the show in Tokyo today.

THE IRON MAIDENSDrummer of the band became popular in Japan**PHANTOM BLUE**Origin .**PHANTOM BLUE**First album , the original**MEGADETH**Members **Marty Friedman**Produced by a famous album .**DOKKEN**Of**Don Dokken**Also**PHANTOM BLUE**Lend a hand to foster , Geffen is a story linked to the contract with the record. 2008**KISS**He was the opening of the live .

His career so much music group , will play shows a live wire ! For her performance in Japan so our profile , let's Weekly relay .

5th and last round , the last member of the base**Wanda "Steph Harris " Ortiz**(Wanda " Steph Harris " Ortiz).

When learning an instrument at school at the age of nine , decided to start playing the bass had not led to only a small bass instrument was made for a late. Why do not you start it interesting , before studying music at the University of California, Irvine after all. While doing band business degree at another university , school also has intelligent technology career . In addition to the band , with cello and Beethoven's Symphony Orchestra and Chamber Orchestra , it has also played bass on stage, have a reputation for accurate engraving base .

Tip appeal :

I also love reading travel. Is now also studying French. Want to travel the world and hope is reborn bird , her mysterious aura drifting slightly .

Musician Influences:

The lock Steve Harris, Geddy Lee, Chris Squire, the other school music teacher .

好きなIRON MAIDENの曲:

Losferwords
Phantom of the Opera
Powerslave
Rime of the Ancient Mariner

A word on IRON MAIDEN :

IRON MAIDENThat is loved by many people , not bow to trends in the music market , more and more I think it's doing something new and creative . Instead it wants the people doing the music that they want no one else is seen , I think fresh and honest .

I'd like to co-star artists :

Anyone with even practiced properly ! I'm happy to play the baseline .
