Vol.68 THE IRON MAIDENS in Japan 2010

IRON MAIDEN upstream , which consists of only female member of the official decision performance in Japan THE IRON MAIDENS ! IRON MAIDEN tour and together with members of , such as a jam session and they are close to upstream presence . We also own "It was a challenge , " and even said in unison for the IRON MAIDEN song is not easy to be technology only when we are forming a tribute band advanced techniques . Some members play a classical orchestra , age 10 KING CRIMSON and YES at some tour members have experience with other members.

In the U.S. and also to guarantee a high tribute bands , most sought after around the club . THE IRON MAIDENS drummer , Linda and half of Japan, the band became popular in Japan from PHANTOM BLUE . PHANTOM BLUE their first album , the former members of MEGADETH , known as the album produced by Marty Friedman . PHANTOM BLUE DOKKEN Don Dokken also lent a hand to foster , Geffen is a story linked to the contract record.

She came in late January so we went to Japan first tour outside the U.S. military base . IRON MAIDEN - core fans in Japan , of course , a lot of metal fans gathered to hear about the reputation abroad , will be played continuously IRON MAIDEN song was drunk representative . Moreover, the final performance in Tokyo , Osaka , fans rushed to say from Nagoya , fans will definitely be increased in Japanese girls .

THE IRON MAIDENS Profile

Formed in 2001 . Tribute band established itself as the most popular in Southern California soon to be internationally recognized . As well as beauty , great musicianship , stage presence in live performance, theatrical elements stir .

The first part of the attention , but the girls talent . This women orchestra , musical theater , with a background as diverse as blues and rock music , professional musician trained in music. Each member of The Rock City News Awards, The LA Music Awards, The All Access Magazine Award and Winner of numerous awards .

IRON MAIDEN live in any era of music in Konashi , the selection of fan favorites . She also stage our IRON MAIDEN 's mascot , Eddie and the Grim Reaper , and The Character of the Devil !

Countries played so far outside the United States home , Guam, Puerto Rico , Japan, Canada , UK, Germany , Austria, Switzerland , France, Denmark , Norway, Finland , Belgium , Korea, Mexico , Kuwait, Kingdom of Bahrain , Iraq, Spain , Turkey , Greece, so that the Netherlands is also gaining popularity around the world is flooded with booking tribute bands as the number of exceptional tour is busy every day.
