◆ **THE IRON MAIDENS Profile**

Formed in 2001 . Established as the most popular tribute bands in Southern California soon to be internationally recognized . As well as beauty , great musicianship , stage presence in live performance, theatrical elements stir .

The first part of the spotlight , she is our talent . This women orchestra , musical theater , with a background as diverse as blues and rock music , musical trained professional musician . Each member of The Rock City News Awards, The LA Music Awards, The All Access Magazine Award and Winner of numerous awards .

Live in any period is**IRON MAIDEN**In Konashi music , the selection of fan favorites . **IRON MAIDEN**Mascot , Eddie and the Grim Reaper , and The Character of the Devil !

Countries outside the United States country music ever , Guam, Puerto Rico , Japan, Canada , UK, Germany , Austria, Switzerland , France, Denmark , Norway, Finland , Belgium , Korea, Mexico . Kuwait , Kingdom of Bahrain , Iraq, Spain, Turkey , Greece, so that the Netherlands is also gaining popularity worldwide as a tribute band was rushed to an unusual number of booking , tour is busy every day.
